IN THE MATTER OF:

Served December 4, 1979

Application of AIRPORT LIMO, INC.,)
for Special Authorization to)
Perform Charter Operations)
Pursuant to Contract - Charter)
House Hotel)

Case No. CP-79-01

By application filed August 6, 1979, Airport Limo, Inc., seeks authorization to transport employees of the Charter House Hotel between the hotel located in Alexandria, Va., on the one hand, and, on the other, points in the District of Columbia in accordance with WMATC Special Certificate of Public Convenience and Necessity No. 1. Order No. 2038, served September 26, 1979, denied the application because the contract failed to meet the requirements of Commission Regulation No. 70 adopting the special certificate procedure.

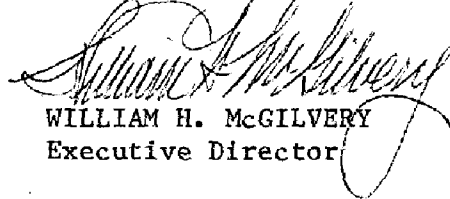

Airport Limo filed an application for reconsideration of Order No. 2038 and submitted an amended contract conforming to the provisions of Commission Regulation No. 70. By Order No. 2054, served October 30, 1979, the Commission granted reconsideration, ordered publication of notice of the application, and provided for the filing of any protests. Notice of the application was published on November 6, 1979; no protests or inquiries were received.

Commission Regulation No. 70 provides that the application shall be granted if it is determined that the applicant is fit, willing, and able properly to perform the proposed service and to conform to the provisions of the Compact and the rules, regulations, and orders of the Commission thereunder and if it is determined that the proposed operation conforms to the provisions of Regulation No. 70. The issue of whether the public convenience and necessity requires such service has been determined in Case No. MP-79-04. See Order No. 2004, served June 20, 1979.

Inasmuch as the contract is for a minimum of 181 days, is between an employer and a carrier, and calls for the transportation of the contracting employer's employees, the proposal conforms to the provisions of Regulation 70. It is also found that Airport Limo is fit, willing, and able to meet the obligations described above. Accordingly, the application will be granted commensurate with the terms of the contract between Airport Limo and the Charter House Hotel. An appropriate authorization is attached hereto.

IT IS SO ORDERED.
